## Ways You Can Engage

*Hello Church Family & Friends, I just want to share some information with everyone, especially since some of you are new to our fellowship. Our Mission Programs have several ways without using money for you to become involved to help others! If anyone has questions, feel free to contact me anytime.*

### Collect used postage stamps.

**-We still collect them!**

Put them in Jim and Mary Alice Eaton's church mailbox. They will be taken to the Cross Keys Nursing Center where the residents sort and package them to be sent to a collection agency that exchanges them for funds, which Cross Keys uses to purchase items their residents can use.

doctors there then give them to people who can't afford exams or glasses.

### Collect aluminum cans.

Give your collection to Jim Eaton at church. He gathers a large enough amount to take for recycling. The refund goes into our World Mission Project Fund, which is then used for all kinds of projects including postage for clothing, bedding, medical supplies, and other items shipped by Fawn Grove Compassion Center where needed. It also pays postage to ship Christmas Shoe Boxes, Crisis Care Kits, and School Pal Packs.

### Collect usable eye glasses.

Save your glasses. Ask friends and family to save them for you to bring to the church collection container. We forward them to Fawn Grove Compassion Center where they are inspected and labeled by an eye doctor to be sent overseas or where needed. Eye

### Volunteer to help with Mission projects and fundraisers.
